WHAT IS "COMEDY FOR THE KIDS?"

How You Can Help Make A Difference With Your Donation For

COMEDY FOR THE KIDS

February 27, 2010 – Eden Roc Renaissance Resort, Miami Beach

You can help make a difference!

The Carrie Brazer Center for Autism invites you to join us for **COMEDY FOR THE KIDS**. Enjoy a spectacular evening of comedic entertainment, dining, music and dancing among the stars. Don't miss out on this exciting, fun-filled event and an incredible silent auction inclusive of dynamite vacations and get-aways!

Every 20 minutes, another family receives the devastating news that their child has autism, a lifelong neurological disorder that impairs communication, behavior, learning and social skills. There is no medical detection or cure for autism. (Autism Speaks, 2009)

The prevalence of autism is estimated at 1 in 91 to 1 in 100 births, making autism the fastest growing developmental disability. The cost of lifelong care can be reduced by 2/3 with early diagnosis and intervention. (Autism Society of America, 2009)

The Carrie Brazer Center for Autism specializes in serving children on the autism spectrum with a full comprehensive team approach! We offer a Full Day School, After School & Saturday Programming, Holiday & Teacher Workday sessions and Winter, Spring & Summer break Camp. Our programs are designed to help children who have an extremely difficult time fitting in mainstream school and social environments.

We are proud to announce our newest program, "Vocational Skills Program for Adults," serving adults 18 & older. Our trained staff prepares students to be independent by teaching them how to do laundry, how to prepare simple meals, how to take public transportation, how to use the library and how to complete office skills such as faxing, photocopying and filing. This program is designed to further their education and develop skills that will help them have a more productive future.

The money raised at this fundraiser provides scholarships for children who cannot afford to attend our school or receive the much needed therapy they truly benefit from. The Carrie Brazer Center for Autism is a sponsor of the Autism Speaks "Walk for Autism," which will be held on Sunday, February 21, 2010 on Key Biscayne. We also support local autism organizations such as UM CARD and Autism Society of Miami.
