COMEDY FOR THE KIDS

March 7, 2009 – Eden Roc Renaissance Resort, Miami Beach

You Can Help Make a Difference!

The Carrie Brazer Center for Autism & Alternative Approaches invites you to join us for **COMEDY FOR THE KIDS**. Enjoy a spectacular evening of comedic entertainment, dining, music and dancing among the stars. Don't miss out on this exciting, fun-filled event and an incredible silent auction inclusive of dynamite vacations and get-aways!

Every 20 minutes, another family receives the devastating news that their child has autism, a lifelong neurological disorder that impairs communication, behavior, learning and social skills. The nation's fastest-growing serious developmental disorder, autism, has reached epidemic proportions. Thirteen years ago, 1 in 10,000 children was diagnosed with autism. Today, that number is 1 in 150. (*Autism Speaks 2008*)

Our eighth annual fundraising event, "Comedy for the Kids" will help bring hope and laughter to children with autism whose futures are still so bright! Every dollar raised will stay right here in our community helping the Carrie Brazer Center for Autism & Alternative Approaches rehabilitate our special children and help raise funds for a larger facility to enable us to serve more children.

The Carrie Brazer Center for Autism & Alternative Approaches, Inc. specializes in serving children diagnosed with autism with a full comprehensive team approach! We are a private, non-profit center which, for the past ten years, has helped change the lives of over 250 children and their families by providing intensive one-to-one cognitive and behavioral therapy, speech, occupational, music, massage and physical therapy.

We offer a Full Day School, After School & Saturday Programming, Holiday & Teacher Workday sessions and Winter, Spring & Summer break Camp. Our programs are designed to help children who have an extremely difficult time fitting in mainstream school and social environments.
