About the Performers:

RONDELL SHERIDAN, actor/comedian. Sheridan played Raven's dad, Victor Baxter on Disney Channel's "That's So Raven," and "Corey in the House." Rondell has the face that you recognize instantly. He has been on "The Tonight Show" with both Johnny Carson and Jay Leno. He has also been on Conan O'Brien, as well as several Showtime Specials including "A Pair of Jokers" and "Lounge Lizards." Sheridan has the ability to transform the ordinary occurrences into hilarious and hearty tales. He disarms his audiences with a wholesome ease, a mixture of playful physicality, facial expressions and a gift to continually shift comedic gears and personas.

TOM ACOUSTI, musician/song writer. Acousti is an amazing songwriter and coffeehouse performer playing both guitar and piano and singing his original music. He has performed thousands of shows ranging from solo acoustic to full band productions, toured nationwide, performed repeatedly on national television, and moved thousands of hearts by living his autobiography on stage, in song. In 2008 Tom established Sound Harbor Music Publishing dedicated to creating, producing, and delivering songs to tomorrow's market.
